Thanks Gowthaman. Do you have a contact over at PSPC you could recommend I connect with?

Billy

Hi Billy,

Health is only involved in regulatory approvals. I would suggest connecting him with PSPC regarding procurement.

Feel free to reach out if you have any questions.

Thanks!
Gowthaman

Hi Gowthaman,

I hope you're doing well and keeping healthy.

We have a constituent who is in the business of producing and supplying PPE masks. He's looking for information from the government, and a contact to speak with directly, which could help him supply these to the high demand market. His contact details are:

Joe Paonessa

Can you please provide any info you're aware of, that I could share with him? Also, would you mind if I shared your contact info with him, or is your contact info internal only?

I look forward to hearing from you.
