Good evening Mr.Beatty,

Apologies for the late request, Minister Anita Anand, would like to know if you are free this evening for a quick conversation.

Minister Anand is convening a group of industry leaders and wishes to reach out to you personally to invite you to participate and discuss Canada's approach to ensuring Canadians have the supplies they need to respond to the pandemic.

Please let me know if you're available within the next hour and confirm the best telephone number to reach you.

Sincerely,
Caitlin
