Thank you very much Margaret for the follow-up. Quite frankly, BYD has much more demand, from Amazon, Costco, Italia, and others than they can produce. If we don't make the effort to contact them and make a compelling case I highly doubt they will take the time to fill those forms. Your contact at Anand's office can contact me anytime at [P\[REDACTED\]](tel:P[REDACTED]) or by email [P\[REDACTED\]@parl.gc.ca](mailto:P[REDACTED]@parl.gc.ca), I'll be more than happy to help in giving her the right contact information to connect with BYD's people and increase our odds of additional supply of masks for Canada.

Best regards

Jean-François Nobert

Jean-Francois,

Anna Gainey has sent me a copy of your message. I work for the Hon. Marc Garneau, the MP for NDG-Westmount, where Anna and Tom are our constituents.

I have sent a message to our liaison in Minister Anand's office this morning and have received the following reply:

Thank you very much, I'll make sure that this offer is flagged to the department.

In the meantime if they would like to submit an offer to the federal government there is a website where they can propose to supply PPEs. There is a form where they can propose to supply an item from a list of specific goods (and other products that supplier may wish to offer).

The website link to Help Canada Combat the Corona Virus is [here](#).

If there is anything we can do to assist you.

Margaret

Dear Anna and Ian, hope you are doing well considering all thing. If it may help I know, Li Lu of Himalaya Captial, who's the biggest investor in BYD (China's biggest mask factory). He usually answers my texts in a few minutes. BYD is

now producing 15 million masks a day, scaling to 30 masks a day, amongst other things they have a supply 100millions to Italians on the frontline.

Costco order 70 million masks for their employees and members to wear in store. But if we ask them to use it for Canadians frontline workers we may have them in priority over Costco, the first delivery is expected in 2 weeks. If you think it might be of interest, Mr. Trudeau or anyone in his team can reach me anytime at [REDACTED]

Best.

Reed Hastings ✓ Li Lu: when do you expect these on the shelves at Costco? week, month, quarter or year from now?

Li Lu Reed Hastings the order is fir 70 plus millions deliver iver the next month or so. Firstbshipment in two weeks or so. But they are for members entering into stores (for free i believe), not for sales in stores initially.
