We've had over 16,000 submissions (and that number is growing) – not everyone is going to hear back.

I am doing my best to follow up with stakeholders/MP offices when they are bringing forward opportunities.

Hey Dove,

I'm getting a few questions about this. Is there any sort of way to know how long the wait to 'hear back' is?  
Does everyone get a message back?

Kevin

Ruby,

Hope you are well! My fiancé and I can provide several products that are COVID essential such and sanitizers and mask. We have applied through the Covid website but have not gotten a response.

The items we have come from the USA China and locally in Toronto but we need expediated approvals to get them to Canada.

Your assistance would be appreciated so that we can get to someone to assist. Please call me via cell at 416-990-7921 or my finance Nelia DiBiase at 647-210-8241.

Respectfully
