I would caution on saying this would also be for essential services. That would be the first confirmation and this letter could be leaked.

The language looks pretty risk managed so I'm fine with it. Could do some language tweaking for style purposes but I don't know that it's warranted here.

Thanks Boyan - I agree with you, but I don't think we should propose a cadence in the letter, we should keep a little flexibility.

Team, feel free to share your thoughts. I'd like to be able to send our comments back to the department around noon.

Best,  
A.

Removing David.

2 thoughts:

- It is good that they differentiate it from the Ministers of Health table, but think that we can say a little more about how it would be different, i.e. coordinating procurement not just for the health system but also for essential services
- The first half of the letter makes it sound like it is a singular meeting and only halfway, we allude to the fact that this would be a regular meeting. Maybe we should even propose a cadence?

Hope this helps,  
Boyan

For clarification. I said we would like to send it Sunday, but we need a first draft today in order to get the Minister's feedback.

Bonjour Anthony,

J'ai demandé au ministère mais selon mes notes prises durant l'appel d'hier, nous avons dit que la lettre serait prête d'ici dimanche. J'essaie tout de même de l'avoir pour aujourd'hui.

Merci,

David

Salut David,

Selon nos informations, DPMO serait en mesure de partager la liste complète des ministres provinciaux désignés avant la fin de la journée.

Sommes-nous toujours sur la bonne voie pour voir une première ébauche de la lettre aujourd'hui ?

Merci et bon weekend!

Hi Anthony,

PCO IGA spoke with Minister Freeland's office and what they decided to do was have the DM of IGA write her colleagues to identify the Minister who should be on the roundtable. She has done so this afternoon, and we will get the responses over the weekend. The Minister can then write to them on Sunday or Monday. This was preferred to our Minister writing directly to the Premiers. If this does not work, then our Min and Min Freeland would write jointly to the Premiers.

Pleased to chat further.

Thanks,

David Lord
