James, Cecely,

We received an interview request for the Minister (or the Press Sec) on tomorrow's CBC radio morning show.

I assume you will take this over?

Merci

Subject: CBC radio Ottawa Morning - interview on rapid testing?

Hello -

This is Julia at CBC radio's Ottawa Morning. We're the most listened-to show in the capital.

Exciting news about the purchase of rapid tests for COVID-19.

I would like to invite Minister Anita Anand on the program tomorrow to talk about how this will help ease the strain on testing centres, how they'll work, and when they'll be ready to go.

If Minister Anand is not available -- is a Parliamentary Secretary? Or deputy Minister?

The interview would be after 7:40 or 8:10 AM with our host Robyn Bresnahan, by phone or skype (audio only).

Please let me know. I'm at 613 298 0422.
Julia
