Subject: Weekly Call with Parliamentary Secretary

Hi Chelsea,

During the Critic's Call with the Parliamentary Secretary last Thursday, one of the opposition members made reference to hand sanitizers with the wrong alcohol/ethanol content. The PS asked for follow-up within PSPC to see if the Government of Canada was the purchaser of that product. Acquisition Branch stated that a formal tasking on this one was not sent from Parl. Affairs but provided the attached fact sheet in response.

Thanks,

David Lord
