Hi Cameron,

Are you able to share what quantity of products you have available, and what capacity do you have to produce and distribute? Also, if you have submitted to buyandsell, do you have a reference number I can share in my procurement tracker?

Thanks,

Hi Cameron – you’re absolutely right, apologies.

Madison – I said I’d loop you in and then forgot – sorry! Was a long one yesterday.

Cameron – while I’ve got you, I did ask around about the import licensing – my colleague at Health is doing some digging and will be getting back to me soon hopefully.

Good morning Tim,

Thanks for the call yesterday. Hopefully we are able to help out the efforts in some way.

I just noticed that I didn’t see any email’s cc’d unless you bbc’d them. No worries either way I just thought I would mention in case you forgot to cc them. Hahaha given the flurry of events right now it is absolutely something that happens.

Happen a great day,

Hi Cameron - thanks for the chat earlier today. As I mentioned, [here](#) is the new buy & sell portal, you should fill out the form there so Procurement knows your supplies are available. I've also copied Madison from Minister Anand's office here for her information.

Madison – for background – Apollo is an industrial garment supply company that has large amounts of N95 masks, hand sanitizer, and microporous suits available in their supply chain.
