Subject: Feedback from MO - Comms products for Minister presser tomorrow

Hello MO,

At your earliest convenience, could you please kindly send feedback for any of the Comms products for the Minister presser tomorrow. We have a team on standby to adjust French products, if required.

Please note that Health Canada has made some edits to the products; you will find them attached, in track changes.

The products are concurrently with PCO since mid-morning.

A/V services have been confirmed for the Toronto MRO – thank you Caitlin for confirming her presence. I believe Sarah wanted to know approximately when the Minister was going to arrive.
