Just to clarify. Please disregard my comments on the documents that you circulated given that, as Emily indicated, there are more recent versions that the writers are working on. In particular, please disregards my off-hand suggestion about the Ministers quote (the Minister had already approved it).

I believe Emily will send you the latest version for your reference.

Thanks,
Boyan

There are some factual inaccuracies in the BKG on Thornhill & Medicom that I worked with the writers to correct. N95 masks were lumped in to Medicom incorrectly, and some tweaks were made to ensure consistency around how we address numbers.

Thanks for sharing. A few small comments/suggested edits attached. Kelly might have more. Adding Leslie and Emily.

Hi there,

Received the (near) final products from comms for the announcement tomorrow and I wanted to ensure there weren't any flags on your end.

Thanks,
Colleen
