Subject: CTV New request - COVID testing for MPs

Hi, I'm a reporter with CTV National News.

I'm writing to ask if you have taken advantage of the House of Commons program that will arrange for MPs and/or their family members to receive a COVID-19 test at a clinic in Gatineau, Quebec.

Can you tell me if you have had a COVID test, and if so, whether it was arranged by the House?

Thanks.

Glen McGregor
