### **FOR NEW OR RETOOLING IDEAS:**

*Industry, Science and Economic Development Canada (ISED) has launched a “call to action” to Canadian manufacturers to help fight COVID-19. They have created a new web page as well as an intake for manufacturers that make needed supplies, have the potential to rapidly re-tool existing facilities or equipment, or who have skilled workers that could be available to work elsewhere in Canada.*

- Web page: <https://www.canada.ca/en/services/business/maintaingrowimprovebusiness/manufacturers-needed.html>
- Generic email address: [ic.mid-dim.ic@canada.ca](mailto:ic.mid-dim.ic@canada.ca)

### **FOR EXISTING SERVICE PROVIDERS OR MANUFACTURERS (NOT RETOOLING):**

*Public Service and Procurement Canada (PSPC) has established a web portal and intake form for suppliers that are able to provide specific products (i.e. N95 masks, gowns, gloves and other PPE) or services (i.e. nursing, food, security)*

- Information submitted through the web portal & generic email address are triaged by type and then referred to a procurement “tiger team” that crosswalks the information submitted through the portal to requirements determined by PHAC & P/Ts
