Hey Cecely,

Hope you had a restful turkey weekend! I just wanted to check in with you on items that aren't listed on the public disclosure. Are you able to tell me what role the fed gov is playing in the ordering of reagent and swabs and if it has a role, how much has it ordered and how much has arrived of each of these items? Additionally can you tell me how much of these two items were distributed to the provinces in April, May and September?

Hope you can get me this by end of day tomorrow.

Many thanks!

M
