Importance: High

Dovejot,

We have three companies (one of the three sent the message copied below) in Montreal that would like to supply goods in response to Covid 19

Is there a Quebec Desk that I can liaise with to help them with their questions?

Please refer our to five to a contact at PWGSC.

Thank you

Margaret

Good afternoon

We thank you for your leadership in addressing the serious shortage in protective equipment for healthcare staff.

I am copying the office of our member of parliament and minister of transport Marc Garneau.

They will help you in applying for a certification from the federal government which is required to become a supplier to the healthcare system

Again, thank you so much for your efforts

Hi Wafa,

What a pleasure to speak to you by phone earlier. As mentioned, I'm calling on behalf of MEGA Brands, we manufacture kids construction blocks.

We are working to gather the following resources:

Vinyl gloves
Surgical masks
Linens
Gowns
Wipes
Ziplock bags

We are looking into helping to manufacture face shields as well as collaborating with another company to manufacture the straps for N95 masks.

Can you let me know how to go about for the assistance?

Thank you 😊
