Hello Kathryn,

In follow up to our recent discussion and in light of the additional vaccine announcements, I wanted to give you a heads up to the white paper that McKesson Canada has released today on COVID-19 vaccine supply chain readiness.

We hope you find the white paper useful as you strategize with your F/P/T counterparts on the best approach to ensure timely access of COVID-19 vaccines to all Canadians in the coming months.

The supply chain expertise at McKesson Canada is at your disposal, and we would be happy to collaborate with F/P/T governments to provide our perspectives on this important topic. Please feel free to reach out to me if you have any questions or would like to discuss further.

Cheers,
