**Subject:** FYI- Vaccine communications from Health/PHAC

Hello everyone, please find attached for your awareness the following vaccine documents that Health Canada and PHAC have shared with us as part of a vaccine comms working group:

- SM plan on vaccine safety and misinformation (I shared this with the social media team for amplification);
- Current key messages on vaccines;
- A report on media coverage related to vaccines, including the Vaccine Task Force;
- POR on COVID-19 and vaccines.

Thanks,

L.
