Good morning,

For DMO information

Please find attached the following communications products for the upcoming Made in Canada announcement with Minister Bains, which is tracking for Thursday, October 15:

- SP
- SBK
- NR

The products are currently with Minister Bains' office for approval and were previously approved by:

- Policy sector ADMs Mitch Davies and Andrea Johnston;
- Science and Research Sector DG Michelle Gravelle and senior advisor to the ADM
- NRC's President's office;
- NSERC;
- SCMS exec

CONTEXT

This Made in Canada announcement will provide an update on the following projects:

-
- PNI Vaccine
 - Six IRAP Vaccine Projects

-
- Two NRC Pandemic Response Challenge Program projects
 - Canada Research Continuity Emergency Fund (CRCEF)
 - ISC Challenges
 - ISED-PHAC Launch of pandemic modelling initiative
-

Please note that the Canada Research Continuity Emergency Fund announcement is only an extension of the eligibility period from 12 to 24 month (no top up) and has not been included in the news release, but is included in the speech.

Best regards,

Mathilde Chartrand

Communications Officer / Agente des communications

Ministerial Liaison, Strategic Communications and Marketing Sector / Liaison ministérielle, Secteur des communications stratégiques et du marketing

Innovation, Science and Economic Development Canada / Innovation, Sciences et Développement économique Canada
