Attn: Taylor

Good afternoon, please find attached two proposed questions and responses to be added to PSPC's products for tomorrow's announcement. The first was requested by PSPC on how the Vaccine Task Force makes recommendations, and includes SIF language that is in line with what was provided to us from IS for our KM card on VTF conflicts of interest. The second is an additional question suggested by the task force on an additional conflict of interest.

The responses are approved by the task force and Ann Marie. They have also been shared with SIF for awareness; if they flag any concerns, we can address them. Your approval is requested by 4:00 pm, so that we can request MINO's approval before it goes to PSPC. I can also flag it to DMO as an FYI at the same time that it goes to MINO.

Thanks,  
L.
