Hi Véro: As discussed, ISED has consulted NRC for comments on the attached QP / KM Card related to the Vaccine Task Force (VTF), which ISED has drafted. We have raised this request with Serge during the most recent PSP File Check-In.

The card has been reviewed by the VTF (Stephen Bent, acting for Roger this week), CB (Christine Aquino), and PSP. I've attached track changes and clean copy for ease of reference.

NRC approved comments are due back to ISED by COB today.

Importance: High

Hi John,

Please find attached a copy of the KM card re VTF.

ISED has requested that President review the attached. Given the urgency to meet ISED deadlines, we will need to have PO review before End of Day today.

Thanks Marie-Eve and Christine for coordinating the response with VTF.

Cheers,
Jeff

Hello Marie-Eve,
I gave you a call on the number in GEDS but I think it is your office number on Montreal Rd. Could you and I connect quickly on the attached key message card we have prepared on the Vaccine Task Force?

Thanks,
