**Subject:** proposed deck for Town hall

Hi –

Here is the deck – I've also attached the questions received – got a bunch of additional ones late in the day yesterday. Once we are ok on content, I'll add a bit more in terms of format and we will get it translated. Will also start working on speaking points for the questions.

I don't have the context to Lisa's slide (have also attached her deck for reference in case you want any of the other slides included), but we can either record your first one or get you to dry run it with us.

Idea is to try and leave about 25-30 mins for open Q&A.
