Subject: TASKINGS: for tonight

Importance: High

Hi team,

Thao asked that I follow up on the following taskings due tonight (I understand they may have already been communicated).

- 1) **SDP and COVID Team:** Analysis around testing
- 2) **SDP/Covid team:** One-pager on the situation in correctional services and also the specific measures to ensure the health and safety of inmates and workers
- 3) **ERDP/Covid Team:** One-pager on food processors: the number of facilities affected, and also the measures taken and could be taken by industry, provincial and local health authorities and the federal government.

Thank you very much everyone,
Leigh
