For JT Twitter.

**This afternoon, simple text post.**

The latest on personal protective equipment: In the past week, we've sent 3.5 million nitrile gloves to the provinces and territories so our front line workers can stay safe. We've also sent out more than 2.8 million rapid tests in the past three weeks - and more are on the way.

Équipement de protection individuelle : la semaine passée, on a envoyé 3,5M de gants en nitrile aux provinces et territoires pour nos travailleurs de première ligne. Et on a envoyé plus de 2,8M de tests de dépistage rapide au cours des 3 dernières semaines, et d'autres suivront.
