Yes, the numbers are correct. We are briefing the PM at 9:15, so we can confirm the numbers following whatever decision he takes.

Adding Alana.

Zoe, if we do go ahead with the Northern announcement, are the funding amounts you reviewed in the speech last night still correct?

I think your wording for Spartan is accurate in both versions. I like the foreshadowing on gaps in version two, but i also hope we land North as well (that may take a briefing at 915 for pm decision)

Subject: FOR APPROVAL: PM remarks for tomorrow (Option A and B)

Hi all,

Please find attached the two options for tomorrow's PM remarks. One includes the
Northern announcement, and the other includes content about the wage subsidy and
upcoming work to help more people and sectors. In both, there is one spot where I'm
holding on translation.

If everyone could please send me any changes to both of these (until we know which
one is confirmed) that would be great.

Thanks,
Astrid
