Hey Boyan, is there a procurement piece to this new test approval?

Subject: Flagging: HC authorizes Abbott Alinity Kit

Hi everyone,
Please note that Health Canada regulators have authorized the Alinity M Sars-Cov-2 Amp Kit, Alinity M Sars-Cov-2 Ctrl Kit, and has now been posted live in the authorized list on the web pages below.

I've pressed for any new media lines and will share these as soon as possible.

COVID-19 Testing Device Applications Authorized by Health Canada
