Update on personal protective equipment: Since the beginning of the pandemic, we've received 800 million masks, gloves, gowns, and face shields to protect front line workers and people across the country.

This month alone, we've distributed over 20 million pieces of personal protective equipment to the provinces and territories. And as we continue to fight COVID-19 and as cases continue to rise across the country, we'll keep making sure everyone on the front line has what they need to stay safe.

DIGNITY

Helping people make ends meet and getting them the support they need - that's how we can uphold and respect the dignity of everyone. And as we continue to build a world guided by compassion and equality, that's what we'll keep working on. #UniteKindness (LINK)

Everyone deserves to be treated with dignity - no matter who they are or where they come from. And if we work together, we can make that possible and we can build a world that is guided by compassion, equality, and dignity. #UniteKindness (LINK)

THURSDAY

To the families and friends of Corporal Nathan Cirillo and Warrant Officer Patrice Vincent, we're keeping you in our hearts today. And to all those who put their lives in danger six years ago to help the victims and keep others safe, we thank you. (LINK)
