- GM Ventilators
  - Linamar, Magna and ABC have all won a contract to supply GM with parts needed to build ventilators in their American operations. They would be manufactured here in Canada and then sent to the US to support their needs
- NB Power
  - NB Power is the electricity provider to Northern Maine. There are at least three hospitals in Northern Maine that would get their electricity through NB Power
- BC Pulp and Paper Mill
  - Nanaimo's Harmac paper mill has doubled its output for an American customer to make surgical masks and gowns
