**Subject:** For REVIEW - PSPC Supply Hub news release

**Importance:** High

Good morning,

Attached for review is a news release to announce the new Supply Hub website for organizations buying and selling personal protective equipment (PPE) during COVID-19. The hub will connect Canadian organizations with federal, provincial and private sector resources and information about PPE. Related Questions and Answers are also attached.

Minister Anand is participating in the noon press conference today and is expected to provide an update on procurement, deliveries of PPE, and speak to the new Supply Hub. **PSPC plans to issue the Supply Hub news release shortly after press conference, if you concur.**

PCO Comms and Policy have reviewed and comments are reflected in this latest version, and no further concerns. I will keep you posted on when the Supply Hub website goes live.

If you have any comments or concerns, we would appreciate if you could advise asap.

Thanks

Adine
