Subject: Re: Ali Baba Donation

The donation details are in the email Leslie sent to all staff at 5:53PM. Basically, we don't know if they will meet the specs for PHAC. We are saying yes to all donations, which you'll find have been numerous, and the MP is welcome to talk about it. It's just that we're not certain we'll be able to use it at the current certification level.

And to be fair, we aren't touting any donations.

That's my unfiltered version...I have great confidence in ops to translate my borderline rational ramblings into something palatable to MPs 😊

Hi Team,

I was wondering if we had more information on the donation from Ali Baba – Han Dong is looking for background on what they donated and why we aren't touting their donation.
