Hi Madison, Could I lean on you to get in touch with this person this morning, get a bit of a rundown, and let me know what you find? If you send me back an email I can forward to Bill and Arianne, that would be great.

Hi Leslie,

Connecting you with Neelam Brar from Vancouver.

She believes she can help out with masks, ventilators and potentially other needs for the government via work she does with a US based healthcare company.

I have copied her on this note.
