**Subject:** For MO direction: List of Data & Information Points to Get from Department

Good morning,

On Sept 8 you had sent a tasking to us to prepare Minister Anand for media interviews she was to do (see below). Is it safe to assume that you've received the information you requested, or that these interviews have already happened?

Please let Liaison know if you require any additional information.

Thanks

France Gionet

**Subject:** FW: List of Data & Information Points to Get from Department

Hi there,

We are preparing to have the Minister do a number of media interviews over the course of the next 2 weeks. With that in mind, can we get answers to the below questions so we can work them into KMs, please?

Thanks,

James

**Subject:** List of Data & Information Points to Get from Department

- 1-How many face shields have been received overall from Canadian manufacturers?
- 2-We were provided with a stat of 40 percent of our overall expenditure on PPE and medical supplies being spent on made-in-Canada supplies. This has decreased from 44 percent.
- 3-Does this include the contracts with Medicom and 3M?
- 4-What is the percentage of hand sanitizer received from Canadian manufacturers?
- 5-Total number of contracts of made-in-Canada contracts?

6. 6-What is the total number of contracts that we have in place for cloth and disposable non-medical masks with Canadian manufacturers?
7. 7-Are there any additional contracts for Canadian made swabs in addition to Precision ADM?
8. 8-Have the contracts been awarded for the vaccine consumables, and for the pre-filled syringes etc?
9. 9-Are there other areas of new-ish or not previously announced COVID related contracts that the Minister could talk about?
10. 10-How many contracts do we have in place for made-in-Canada surgical masks, and what are they (list), and for how many masks each, as well as the deliveries for each received?

**Cecely Roy**
