Subject: RE: medical supplies - call follow up

Hi Heather,

I am following up on the email you sent along to Breanna in Minister Anand's office.

Can you provide me with the reference number that was provided when this information was submitted on the buyandsell.gc.ca form? With that, I can send this information to the department to follow up.

Thanks so much.

Best,

Chelsea Kusnick

Hello Charlotte

As discussed please access the portal at buyandsell.gc.ca
I have forwarded all your information to the Ministers office.
Please continue to reach out with questions if you have any.
We thank you for your efforts to help during this unprecedented time.
All the best
Heather

Hi Heather,
We spoke on the phone earlier, it was really nice meeting you!

So to give you a little background info, we're a group of Canadian entrepreneurs working towards the common goal of contributing our expertise to this pandemic, by helping supply surgical masks (and potentially other medical supplies) to all Canadians. Together, we have experience in brokering, financing, production and import/export, which we want to put to good use during this unsettling time.

Here are the items we have available:

- Masks (screenshot attached)
- Certification (screenshot attached) ISO, CE, UL
- Fully water resistant
- Delivery between 1-2 weeks
- 100,000 -200,000 pieces per week. We can increase to 500,000 after 1st successful shipment.
- Price per unit \$1,97 Canadian per mask

In terms of shipping, we've secured a direct line with air canada to Montreal or Toronto thanks to one of our team members, who's reserved space for us in their cargo planes.

Let me know if you have any question whatsoever or need additional information.

Stay safe!
