Hello Jean Luc,

Thank you again for your cooperation.

I highlighted it on FM 93 through text messaging and yesterday on CBC (report to come later).

I am again seeking your input, about medical equipment this time.

A friend of mine, Dany Gagnon, v.p. of Chrono Aviation, is ready to pick up three million masks and wishes to know whom he should contact.

I thought of you.

You can phone him at the following number.

Dany Gagnon Vice-president Chrono Aviation [418-529-4444 ext 2](tel:418-529-4444)

dgagnon@chronoaviation.com

Many thanks,

G

PS: Here is a copy of his message:

Listen, I'm offering to help. I have access to three million KN95 masks with my Airbus 340, which is coming back next week.

I don't know if the government is still looking for products or if they have enough. I don't have any contact, so I'm sending you this information if you think someone might be interested.

We're already bringing in several million for a private client, but I have an option for another three million masks...
