Subject: FW: New PPE and COVID19 Essential Products Platform

Hey team,

Wanted to share this, but you may have already seen it. Labour has been working with the Canadian Manufacturers and Exporters to connect employers with suppliers to make sure workers have the PPE they need. The CME have put together a [PPE Rapid Response Platform](#) as a result. It may be helpful for procurement efforts or for companies that need assistance. I have shared with my PMO and D-PMO desks as well.

Hi,

Hope you're well. I wanted to let you know that a bunch of trade association and BASF Canada have partnered to create this new PPE exchange platform that went live recently. I think this could be helpful to you going forward too!

Thanks
