Thank you Corbin, this looks great. Have you applied to <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19> yet? If so, can you share your reference number from the application? I know we are prioritizing ventilators so I will escalate this procurement opportunity. I have attached the document the department shared regarding technical specifications for ventilators.

I have also copied my counterparts at Health and Industry, Science and Innovation, to support you in any Health Canada licensing, or SIF funding support.

Thank you,

Madison Taipalus
