Chelsea can you lead on this one as well?

Many thanks!
A.

Hi Anita

My name is Gavin Taylor and I work for a Montreal based company that has availability on N95 masks and coveralls. A longtime friend who works at your hospitals in Toronto sent me your email address. We have been based in Montreal since 2002 and would like to share our offerings with you. Please feel free to call my cell at P _____ to discuss. I look forward to your reply.

Best
Gavin
