Hello Jean-Luc,

Thanks again for your cooperation.

I also pointed this out to FM 93 over the weekend and to Radio-Canada yesterday (report to come later).

I'm reaching out to you once again, but this time about medical equipment.

A friend of mine, Dany Gagnon, VP of Chrono Aviation, has access to 3M masks and asked me whom to talk to.

You came to mind.

You can reach him at:

Dany Gagnon, Vice-President, Chrono Aviation [418-529-4444 ext. 2](tel:418-529-4444)

[dgagnon@chronoaviation.com](mailto:dgagnon@chronoaviation.com)

Many thanks,

G

PS: Here is a copy of his message:

*Listen, I'm throwing you a line. I have access to 3 million KN95 masks with my Airbus 340 that's coming back next week.*

*I don't know if the government is still looking for products or if they have enough. I don't have any contacts, so I'm just throwing it out there in case you think anyone might be interested.*

*We're already bringing in several million for a private client, but I have an option for another 3 million...*
