Hello Mr. Lamoureux,

Thank you for your emails.

I invite you to fill out the form to be found here: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19> with the number of masks you can provide and all other details.

After submitting the form, you should receive a reference number. Please send it to me so that I can connect with the department that analyzes all procurement applications.

Please let me know if you have any further questions.

Thank you.

Chelsea Kusnick

Dear M. Bolduc and M. Boustani,

Here is Mr. Claude Lamoureux from Thermo-shield. We've been working with him for the last two weeks, as he is the first one to contact us. Based on his previous public figure in Quebec, and the transparency of doing business, we would like to proceed with him if possible.

He will meet with your team shortly.

Best regards,

Sales Manager - Ke LUO

Dear Claude,

Please see below for the e-mail we sent to M. Bolduc, Director of Operation SigmaSante this Monday morning (Montreal time). He requested our product information from us in Sunday evening Zoom conference.

Best regards,

Dear M. Boustani and M. Bolduc,

Thank you for your call this morning.

I work as Sales Manager for **Chongqing Senxin Clothing Co., Ltd..** We mainly produce protective clothing.

Please find attached all the documents regarding the **N95 respirator**. (e.g. product pictures and certification)

This mask is manufactured by **Rizhao Sanqi Medical & Health Articles Co., Ltd..** The product code is **RIZSQ100Sb**, a cup-shaped N95 mask with head bands.

The **certificate numbers** are:

- FDA establishment registration number: 3010374972, device listing number varies.
- NIOSH certificate for product code RIZSQ100Sb: 84A-8109
- NMPA Medical Device Registration: [illegible]20172640005
- NMPA Manufacturer approval no: : [illegible]20110020

As per all contracts signed last Friday, the **lead time** for all Sanqi's orders are June 30, regardless of quantity. However, the products will not be delivered all at once. The manufacturer will start delivery 5-7 days after full amount paid.

Our company will be responsible to arrange delivery schedule according to your flight schedule, and gradually finish the delivery of all products by the promised lead time.

If you have any question, please feel free to let me know. Under this emergency, my colleagues and I are almost working 24/7 to quickly respond to you.
