I'm good with these. I'll send back to comms for now. Hearing the DM has so far had limited changes

A few edits here for discussion. Also I just happen to know the Minister prefers "COVID-19 Supply Council" as a proper name, versus just Supply Council, hence the change in the title.

The latest NR includes the edits I was going to suggest. Essentially, we don't want to limit the scope to essential services.

I applied the same edits to the Q&A.

<< File: QA_COVID_Supply Council_DRAFTv4(ADMComms)_CLEAN - bg comments.DOCX >>

And since we are not tracking to publish the bios, I am including the latest list of members that have accepted with their current roles only.

<< File: COVID-19 Supply Council - Proposed Membership List - v20200501.docx >>

The speaking notes are for the first meeting so I don't think we need to review them just yet. We are still working on the agenda.

Let me know if you need to clarify anything.

Thanks,
Boyan

Hi – some bootleg products as these are still stuck in DMO. Is this an accurate characterization of the work that the Council will do?

Please do not share with department or my comms folks will get a talking to from DMO.

Thanks,
Emily
