Hello

My company (PISIM TRADING CORPORATION) has made an Exclusive Manufacturing agreement with two manufactures from CHINA.

In addition, I am working with a Brewery to supply a Disinfectant product.

The products listed can be manufactured in LARGE quantities. Delivery to Canada is 3 weeks or less.

One other product i have also is a COVID test kit. This kit can detect within minutes, if you have the disease. This kit would very good for remote communities.

My number is P [REDACTED]
