Hi Lucie — I have done some Googling to find this company, and the only relevant company I was able to find in Canada is Second Clothing Co./Yoga Jeans out of Saint Laurent (Mtl) who's CEO is Eric **Wazana**. Can we please clarify which company this is, and if this is the correct one? If it is Second Clothing Co and that is what they go by publicly it may make sense to use that title.

See web page here: <https://yogaieans.ca/pages/vj-gives-back>

Cheers,
Cecely

Hi again.

Should you wish to add where Wasana Clothing is from, in the remarks, here are the details:

Location: Head offices in Montreal as well as a family owned and operated factory located in Saint-Côme—Linière in the Beauce Region.

Good afternoon,

Please find attached the revised remarks, which include DMO's suggestions, your changes and requested additional translation. All information has been fact checked and adjusted where necessary. We are waiting on two confirmations, which are highlighted in the document.

Please note that program confirmed the following: we are not ready to announce the 3D printing swabs yet, we can mention Wazana, and we are flagging to PriMED that we will mention them. PriMED had previously agreed to being mentioned.

Please provide your second round of comments using this version, if possible.

Thank you,

France Gionet
