Hi Suzanne and Bill,

Great initiative in support of BC!

I'm connecting you here with Western/BC Advisors should you ever need to get in touch. Kylie works for Min Hajdu, Tim for Min Bains and Madison for Min Anand.

Thank you for everything you are doing to help fight Covid 19!

Best,
Sangeeta

Hello Sangeeta,
Bill shared with me you would like some information on the Supply Hub project.

1. Attached is a draft our release. We will be issuing a joint-release with the Province which is still in draft.
2. There is also a video [here](#) that explains how the Supply Hub will work (note the title correction that needs to be made to the video). Please don't distribute this widely at this point as we are still getting our users from the health authority to test it over the next 24 hours.

I hope this is helpful.
Suzanne
