Hi all,

After discussions between the Min and DM, we are going to put the web update over to next Tuesday so it coincides with the Minister's update.

Can we please update to include Sunday evening numbers?

Thanks,

James

**Subject:** FOR MO APPROVAL: COVID-19 web page June 25 update

**Importance:** High

Good afternoon,

Please find attached for your approval, the **COVID-19 web page June 25 update**.

Following DM's approval, it was requested that we flag the following sentence to make sure you are comfortable with it. DM suggested having a quick discussion if required: **\*A portion of these masks are being directed to organizations outside the health system based on requirements and preferences of front-line health care providers.**

As discussed, we are looking into sea shipments of hand sanitizer that arrived recently. We may send a revised version with the final number.
