Subject: COVID-19 Rapid Test Kits
Attachments: Wellness Matrix Group Coronacide POC Test-1.pdf

Hello.

I have been instructed by Dove Parmar, from Minister Anand's office to share an opportunity to procure COVID-19 rapid testing kits.

Details of the product are found in document attached.

Please accept this introduction to Brian Esposito, (cc above) who can provide more information about the kits. I have instructed him to complete the sign-up form on the Government of Canada buy and sell page.

Best,
Elaine
