Subject: For MO information: Communications messages regarding the mask investigation

Good afternoon,

Please find attached for information, the **Communications messages regarding the mask investigation**.

Please note that PSPC is the lead; however we have outlined who would respond to what in the messages.

TIMELINE : Anticipatory

CONTEXT: On the evening of Saturday, July 4, 2020, a shipment of approximately 2 million surgical masks was picked up at the CargoJet warehouse in Hamilton for a scheduled delivery to a warehouse in Vaudreuil, Quebec being used by the Government of Canada to store and inventory PPE shipments. Purolator is responsible for the transport of PPE from CargoJet's warehouse in Hamilton to the PHAC warehouse.

Canada has been advised by Purolator that the masks were not picked up by one of their subcontractors as scheduled. Local authorities (Hamilton Police) are investigating. These lines have been prepared in collaboration with PHAC in anticipation media interest.
