Subject: URGENT Auto Industry Effort to Collect Needed PPE To Support Health Care Workers - GM Drop Off Locations

We are reaching out to make you aware of an industry effort to assist the Public Health Agency of Canada with donations of much needed personal protective equipment. They will ensure that donations of this PPE (often used in our sector) will get to the health care professionals in greatest need in Canada. The details are below including drop off points at GM Canada's facilities in Woodstock and Oshawa Ontario. Any donations you can contribute in the industry effort would be greatly appreciated.

Subject: Call to Action – Collection of Personal Protective Equipment

This is a Canada auto sector effort to help the Public Health Agency of Canada to address a severe shortage of Personal Protective Equipment (PPE) in our health care system to help treat and fight the spread of COVID-19/coronavirus. We have immediate needs for the following items:

- N95 face masks (must be moisture free and stored at the appropriate temperature before sending to prevent any defect to the mask)
- Safety glasses
- Sanitized goggles
- Isolation gowns or coveralls
- Hand sanitizers

- Gloves (all sizes) – latex, nitrile, vinyl

Note: All items must be clean and in their original packaging.

GM Canada is donating the items listed as are companies like Magna. GM Canada will be gathering these items from suppliers and others for pick-up by the appropriate health providers and/or authorities.

If you have access to these critical supplies and wish to donate to this effort, please email daelan.burgess@gm.com. Please detail what you can supply, including the manufacturer part numbers, quantities and when you can drop them off.

Drop-off Locations and Hours:

GM Woodstock National Parts Distribution Centre

1401 Parkinson Road

Woodstock, Ontario

N4S 7W3

Attention: Plant Y Dock E - Project PPE

Hours: Monday - Friday, 7 a.m. to 3 p.m., beginning Wednesday, March 25.

GM Oshawa OEM Stamped Products and Services

900 Park Road South

Oshawa, Ontario

L1G 1K7

South East corner of building

Attention: Kevin Maynard (905-744-8868)

Hours: Monday - Friday, 8 a.m. to 1 p.m., beginning Wednesday, March 25.

Note: The Oshawa facility will not be able to receive tractor trailer deliveries and are restricted to cube van or hand carried items.

GM will coordinate pick-ups from the Public Health Agency of Canada who are charged with ensuring this PPE gets to the hospitals and health care professionals with the most urgent need in Canada, as soon as possible. If you have questions for the Public Health Agency they can be reached at phac.hpocppestategy-strategieppcops.aspc@canada.ca

Thank you for your support in helping our communities during this unprecedented time.
