Bonjour James, Cecely,

FYI. We received, from PMO products, a news release to announce the agreement for the 3M PPE (N95) manufacturing facility in Brockville, Ontario. The PM, Premier Doug Ford, and Minister Bains are quoted in the NR. We are currently fact-checking it, presume that you will get a copy once Departmental comments have been added. It is scheduled to go out this Friday, Aug 21.

Merci,

Lucie Brosseau
