Subject: Remdesivir Follow up

Hi Chelsea,

I have not heard back from Alain re. Remdesivir. Our product registration with health Canada will matter on the structure of the deal and what procurement is able to secure from Gilead i.e. supply+permissions.

Our supply is ready to go but I can't proceed further without input from your office or from Alain. Please look into this and get this moving ASAP.

This drug can save lives and every day we save is another life we can save!

Thanks again for your help.

Best Regards,

Jeevan Singh
