Wow! That's great.

I think this one might have been a coincidence, but happy for whatever help I provided.

Let me know if I can help further.

Hi – I just got to my computer now and wanted to reply to you immediately. You sure do get results 😊

Just so you don't think that I am 'out of it', I sent the application to the e-address that:

- 1) was on their site (at the time)
- 2) that Glenn Chamberlain gave me

And I am sure that you already noted that their e-confirmation to me was addressed as being from, "MDEL Application".

I'll let you know how it goes but I think that you stuck them with a stick of dynamite and lit the fuse - many thanks.

Stay cool! (and safe),

Bennett
