Good Day Minister Hajdu

Well wishes from the Fort McKay Metis Nation. I am personally reaching out for your support in sustaining Indigenous Business.

Attached, you will find our letter for Covid-19 Response - Isolation Gown Supply. This initiative is time sensitive as a potential second wave of the pandemic threatens medical supply, specifically isolation gowns. We have forged a solid offering that leverages a superior product at a very competitive cost. This opportunity would have a significant impact on our community.

I would be grateful for your feedback and a chance to discuss how we can see this through.

Thank you kindly in advance,

Hiy Hiy,

Ron Quintal
