Subject: Call with Minister Anand

Good Afternoon Leslie,

I am reaching out to arrange a phone call between yourself and Minister Anand sometime early next week.

Minister Anand is looking to touch base with you to speak about your needs, and to discuss timelines and what support Canada can provide to accelerate production.

Are you available between 9:30-10am or early afternoon on Tuesday April 21?

Thanks,

Tyler Freeman

Office of the Minister of Public Services and Procurement
